The flowers this Easter come from The Flower Hutch in W. Townsend, MA. Jason grows his flowers with love and care. Please note: Tulips, based on their color, come in a variety of heights. Some, like the white and orange, grow smaller in height, whereas the pink is a taller flower. So you will see that our Sanctuary is decorated with a nice array of flowers. After the service, if you chose to take your flower home, please come to the front of the Sanctuary to pick up your flower(s).
