### **Happy New Year Everyone!**

I wanted to take this month to introduce myself to the parents/guardians of our Sunday School Children. So far, the Children know my name rhymes with Banana, I love to keep busy, and I can't cook to save my life! Lol!

In my free time I love to go to museums and zoos with my husband Danny and our three daughters, our four nieces, and two nephews.

I am a Girl Scout with my youngest, and I also provided multiple weekly family engagement playgroups across Central MA to support parents as their child's best first Teachers.

My favorite memories of Church are Christmas Plays, Bible Songs, and Vacation Bible School weeks with all my friends each year. My favorite bible story is Noah's because of not only how many animals he helped, but also the promise of when times are tough do what you know in your heart is best because with God anything is possible!

I look forward to working with your Children this year and getting to know all the families here at Wesley.

I wish you all a wonderful and blessed start to the year!
