Altar flowers... We've been very fortunate to not have had a price increase with our altar flowers over the last 5 years or more. However, it is now time for that increase to happen. With \$60 you are just not able to receive two beautiful arrangements for the altar, without the florist losing money. After a recent meeting with the owner of Perro's, we have agreed upon \$80 for the two arrangements (\$40 per arrangement) for the altar flowers on Sundays. This price change will be effective July 1, 2024.

If you would like to donate the altar flowers on a given Sunday, you may sign up in the book in the Welcome Office or call me during the week. There is a form in the book as well that will need to be completed and returned to me with the payment.

If you have any questions, please do not hesitate to contact me. Thank you, Debi Reynolds

GOD MOMENT

A God Moment from Susan Williams

I volunteer for the Eye Clinic that takes place on select Mondays of each month. I am the first person you see when you arrive between 6 to 8 pm.

One Monday in April a man came in and as he approached me, he said "I know you!" I replied, "You do?" He went on to tell me he lived at Channing, as do I. I asked his name, "Edward, Edward Nasiah" he replied. I know his wife, Janet. In the past, several years ago I'd helped them through Carty Cupboard, and during the pandemic with the help from Debi Reynolds, but have always worked with Janet.

I asked him, "How is Janet?" He replied, "Janet hasn't worked in four months. She broke her leg in in four places and can't leave the house." Then he said, "we are hungry!" I told him, "I work at the Carty Cupboard food pantry each week, I will get you food by Wednesday afternoon."

The next day I called Nancy Spencer and told her about their need. She said she would pack up food and I should gather items being offered on Wednesday for the family. I called Phil Johnson and he kindly agreed to help me bring the food back.

On Wednesday we gathered the food, and I took it to the Nasiah's. Janet and Edward couldn't thank me enough. I only wish I had known long before I did.

God uses us sometimes to connect a supply (Nancy Spencer and the crew of Carty) to a need (the Nasiah's in this circumstance), a blessing for me too. What a wonderful God Moment!

The Kin-Dom is Among You: Growing Closer to God and One Another

There is programming for all ages.

Adult — *Welcome Home* by Neomi Fletcher

The adult curriculum uses the image of home to explore how living in close proximity to the kin-dom is like making a home with God. Participants are invited to develop practices for building healthy, welcoming communities because of being anchored in the abiding love of God.

Youth — *Cultivating Symbiosis: The Nature of God's Kin-dom* by Nica Sy

In Creation, we see the power of symbiosis, or interdependent relationships. The youth curriculum explores the idea of symbiosis between our relationships with one another and our relationship with God. By drawing closer to one another and our world, we draw closer to the kin-dom.

Children — *Me in the Kin-dom* by Kathy Cook

The children's curriculum uses the Lord's Prayer as a lens to help us see that we are all members of the family of God. Children will begin to understand that the kin-dom is living with Christ and one another on earth as in heaven.
