WESLEY SUNDAY SCHOOL NEWSLETTER

Upcoming Events

July 14th - Children will be working on the next steps of this year's mission project. They will be having a special offering for our fluffy VBS rabbit guests. The rabbits are in need of enrichment activities, and better housing.

Have you accomplished a Summer Adventure yet?

Each year I always make a bucket list to make sure I accomplish at least a few summer thrills. This year my list includes seeing the 100 life size Elephant Statues in Newport, RI before they get moved to L.A. In my bucket list, I also like including learning something new each week to keep my mind fresh with ideas!

In Sunday School we will be learning about the ways we can pray. How to say a prayer, what we can include in our prayers, who should we pray for, what are the different types of prayers, how to write a prayer, and what our prayers may look like in today's world.

Our Sunday School children worked hard all year, so I also made them fun bible summer bucket lists. A few of our friends have already received them, and we still have some left, if you have not picked up your child's bucket yet. The children have all summer to check the different activity ideas off the list and bring it back for a prize this September. These buckets are made with fun learning items to help the children grow their faith this summer and can be utilized at anytime they feel like they are ready to learn something new about the bible. -Rhianna
