WESLEY SUNDAY SCHOOL NEWSLETTER

Upcoming Events

2025 VBS theme is here!

In an effort to include more family participation, A parent/guardian survey will be given out this month, to see what schedule best suits our family's needs for vacation bible school activities this year. More information about VBS will be out shortly! **Reach out to Rhianna to fill out our survey, or ways to volunteer.**

Confirmation 2025

Calling all 8th, 9th, 10th, 11th, & 12th graders as well as anyone else who may have missed this opportunity during the Covid pandemic. We welcome you to join us this year for confirmation classes. Classes will be held for one hour after service each Sunday, March- June. **Please reach out to Pastor Moo, and/or Joseph Fletcher for more information.**

GOD LOVES US SO MUCH...

That he gave us the gift of his only son, Jesus! This Winter Sunday School will look at some of the amazing attributes Jesus has to bring us hope that God loves us and is always there for us. These attributes include being compassionate, genuine, wise, forgiving, thankful, cooperative, generous, honorable, empathetic, and faithful!

Sunday School will also be working on lessons from our All In One Sunday School Winter curriculum book. The children have decided they would like to work on a fun and supportive Valentine's project for our homeless friends that join us for community breakfast this February. To help show these individuals that Jesus loves them.

The children will be making a special Valentine's box that we will leave in Brewer Hall, if any other adults would like to add to the fun. Directions for how the easy paper valentines can be made, will be located near the mailbox.

Lastly, please take a moment to enjoy a few pictures we have hanging up in Brewer Hall of activities our Wesley children enjoyed this past fall. Wishing everyone a Happy and Healthy 2025!
